RE: TWS Student Conclave Grant Program

To support TWS Student Conclaves and the vital role they play in preparing students for a career in wildlife conservation and management, TWS is re-initiating its Student Conclave Grant Program. Grants of \$1,000 will be awarded to each of the four TWS Student Chapters that host regional conclaves in 2008. Please see the enclosed description and application form. Should you have any questions or concerns about the grant program, please speak directly with Shannon Pederson, TWS Subunit and Certification Coordinator. You can reach her at 301-897-9770, X 303 or at Shannon@wildlife.org.

We are delighted to be able to boost the support TWS provides its student members, and wish you an exciting and successful Student Conclave next spring.
