

# The Wildlife Society 15<sup>th</sup> Annual Conference

## Additional Airports serving the South Florida Area

Conference participants may also fly into the Palm Beach International (63 miles) Airport or the Fort Lauderdale International Airport (21 miles). In some cases, airfares to these airports may be less expensive than to Miami International. Rental cars are available at the airports or a free-shuttle can transport you to the nearest **Tri-Rail** ([www.tri-rail.com](http://www.tri-rail.com)) commuter train station. Tri-Rail fares to Miami are \$2.00 - \$5.50 one-way. Travelers on Tri-Rail (southbound) can transfer at the Tri-Rail/Metrorail Transfer Station and take the **Metrorail** train southbound to the Government Center Station terminal. Metrorail transfers are free with the purchase of a Tri-Rail ticket. Passengers may take a short taxi ride from the Government Center Station terminal to the Hyatt Regency Miami or may transfer to the free **Metromover** (Outer Loop - Omni Segment) for a short trip to the Knight Center Station which is adjacent to the Hyatt. For more information please visit: [www.miamiade.gov/transit](http://www.miamiade.gov/transit)
